Outpatient Neurology

Friday, March 7, 2014
Chevy Chase Conference Center
The Sheikh Zayed Tower
The Johns Hopkins Hospital
Baltimore, Maryland

Description
Clinical neurology is continuing to evolve from its historical role as a largely diagnostic specialty to one where the availability of effective treatments is increasingly having a meaningful impact on patient outcomes. With the ongoing delays of clinical research in virtually all neurological subspecialties, the clinician is faced with an inundation of information when attempting to apply evidence-based medicine to the management of a given patient with a neurological chief complaint. This course will address advances and best practices in a number of specific topics of widespread importance. As always, the emphasis is in making practical recommendations for the outpatient clinician, the office neurologist and primary care provider alike. This year’s conference will feature an interactive breakout session for non-neurologists geared toward the fundamentals of diagnosing and managing common complaints, a selection of more specialized advanced topics for the neurologist, and a keynote address of broad interest from a leading neuroscientist.

Who Should Attend
This activity is intended for internists, primary care physicians, family practitioners, physician assistants, nurses, nurse practitioners, neurologists, gerontologists, rehabilitation physicians and other interested individuals, particularly those who see patients in the outpatient setting.

Objectives
After attending this activity, the participant will demonstrate the ability to:

• Describe effective, practical strategies for evaluation and treatment of patients presenting with reversible cerebral vasocostruction syndrome.
• Name the appropriate tests and medications used in workup and treatment of selected outpatient neurological diseases, and describe their common limitations.
• List two alternative differential diagnoses for each of the selected neurological complaints.
• Identify characteristics of neurological outpatient appropriate for referral to specialty consultation.
• List limitations of current knowledge and potential future developments in diagnosis, treatment and management of cluster headaches.
• Outline the development of new screening tools to assess patients at high risk for falls.

Accreditation Statement
This Johns Hopkins University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement
The Johns Hopkins University School of Medicine designates this live activity for a maximum of 7.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Credit
American Nurses Credentialing Center
American Nurses Credentialing Center (ANCC) accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.
American Academy of Nurse Practitioners
American Association of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credit™ from organizations accredited by ACCME.
American Academy of Physician Assistants
American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from ACCME. Physician assistants may receive a maximum of 7.50 AAPP Category 1 CME credits for completing this program.

Policy on Speaker and Provider Disclosure
It is the policy of the Johns Hopkins University School of Medicine that the speaker and provider disclose real or apparent conflicts of interest relating to the topics of this educational activity, and also disclose discussions of unapproved/unsupervised uses of drugs or devices during their presentation(s). The Johns Hopkins University School of Medicine OCME has established policies in place that will address these conflicts of interest. Identification of a commercial interest or disclosure of a conflict of interest does not imply or constitute endorsement by the Johns Hopkins University School of Medicine OCME of a commercial product or service.

Speakers
Jason Rosenberg, MD
Assistant Professor of Neurology
Director, Johns Hopkins Headache Center
Johns Hopkins Bayview Medical Center

Yuri Agrawal, MD
Assistant Professor of Otorhinolaryngology- Head and Neck Surgery
Assistant Professor of Neurology
Assistant Professor, Division of Otolaryngology, Neurology and Skull Base Surgery

Pablo Celestino, MD
Associate Professor of Physical Medicine and Rehabilitation
Assistant Professor of Neurology
Director, Human Brain Physiology and Stimulating Laboratory
Medical Director, Outpatient Neurorehabilitation Program

Ashish Chhatre, MD
Instructor in Physical Medicine and Rehabilitation
Instructor of Neurological Surgery
Director of Spine Rehabilitation

Alexander Conn, MD
Assistant Professor of Neurological Surgery
Assistant Professor of Neurology
Assistant Professor of Radiology and Radiological Science

Charlene Gamaldo, MD
Associate Professor of Neurology
Assistant Professor of Medicine
Medical Director, Johns Hopkins Sleep Disorders Center

Daniel Harrison, MD
Assistant Professor of Neurology

John Krakauer, MD
Assistant Professor of Neurology
Director, the Center for the Study of Motor Learning and Brain Repair

Elisabeth Marsh, MD
Assistant Professor of Neurology

Abhay Moghekar, MBBS
Assistant Professor of Neurology

Paul Nypunkt, MD, MPH
Assistant Professor of Neurology
Assistant Professor of Anesthesiology and Critical Care Medicine
Assistant Professor of Medicine
Assistant Professor of Neurological Surgery

Richard O'Brien, MD, PhD
Professor of Neurology, Neuroscience and Medicine
Chairman, Department of Neurology
Johns Hopkins Bayview Medical Center
Assistant Dean for Research
Johns Hopkins Medicine

John Probasco, MD
Assistant Professor of Neurology
Medical Director, Inpatient General Neurology Service

Liana Rosenthal, MD
Assistant Professor of Neurology

Bruce Wasserman, MD
Assistant Professor of Neurology
Director of Diagnostic Neuroimaging
Morning
7:00 - 8:00 Registration and Continental Breakfast
8:00 - 8:10 Welcome, Introduction and Conference Goals
Jason Rosenberg, MD
8:10 - 9:00 KEYNOTE LECTURE: New Thoughts About Recovery After Brain Injury: The Case of Stroke
John Krakauer, MD
9:00 - 9:15 Break

Concurrent Learning Sessions
Neurology Session
9:15 - 9:45 The Evolving Landscape of Treatment in Multiple Sclerosis
Daniel Hurwitz, MD
9:45 - 10:15 Update in Parkinson’s Disease
Liana Rosenthal, MD
10:15 - 10:45 Questions and Answers
10:45 - 11:00 Refreshment Break
11:00 - 11:30 Vasovagal Reaction and Neurological Disease in the Community, RCVS and Beyond
Paul Nguyen, MD
11:30 - 12:00 Cluster Headaches: “Adopt the Orphan”
Jason Rosenberg, MD
12:00 - 12:15 Questions and Answers

Aftersession
12:15 - 1:00 Lunch
1:00 - 1:30 Novel Interventions in Stroke Rehabilitation
Pablo Casini, MD
1:30 - 2:00 New Oral Anticoagulants For the Treatment of Stroke
Elisabeth Marsh, MD
2:00 - 2:30 Update on Pseudotumor Cerebri
Abhay Moghekar, MBBS
2:30 - 2:45 Questions and Answers
2:45 - 3:00 Interventional Management of Cerebral Aneurysms: An Update on Contemporary Techniques
Pablo Casini, MD
3:00 - 3:30 Interventions in the Acute Management of Traumatic Brain Injury: An Update on Contemporary Approaches
Alexander Coon, MD
3:30 - 4:00 Radiology Case Review
Brice Wasserman, MD
4:00 - 4:30 Update in Neurosurgery 2014
Richard O’Brien, MD, PhD
4:30 - 4:45 Questions and Answers
4:45 - 5:00 Symposium
5:00 Adjourn – Please complete and return the Evaluation and Credit Report Forms. The Registration Desk will remain open during conference hours.

Emergency Call: On March 7, 2014 direct emergency calls to the Hopkins registration desk. (410) 287-5426. Messages will be posted for participants.

American Citizens with Disabilities Act
The Johns Hopkins University School of Medicine fully complies with the legal requirements of the ADA and the rules and regulations thereof. Please notify us if you have any special needs.

Primary Care Session
Facial Palsy: Is it a Bulb or Not?
John Podosco, MD

Innervation: Evaluation Methods and Management
Today and Tomorrow
Charlene Gamaldo, MD
Questions and Answers

11:00 - 11:30 Vasovagal reaction and neurological disease in the community, RCVS and beyond
Paul Nguyen, MD
11:30 - 12:00 Cluster headaches “Adopt the Orphan”
Jason Rosenberg, MD
12:00 - 12:15 Questions and Answers

Afternoon
12:15 - 1:00 Lunch
1:00 - 1:30 Novel interventions in stroke rehabilitation
Pablo Casini, MD
1:30 - 2:00 New oral anticoagulants for the treatment of stroke
Elisabeth Marsh, MD
2:00 - 2:30 Update on pseudotumor cerebri
Abhay Moghekar, MBBS
2:30 - 2:45 Questions and answers
2:45 - 3:00 Interventional management of cerebral aneurysms: an update on contemporary techniques
Pablo Casini, MD
3:00 - 3:30 Interventional management of traumatic brain injury: an update on contemporary approaches
Alexander Coon, MD
3:30 - 4:00 Radiology case review
Brice Wasserman, MD
4:00 - 4:30 Update in neurosurgery 2014
Richard O’Brien, MD, PhD
4:30 - 4:45 Questions and answers
4:45 - 5:00 Symposium
5:00 Adjourn – Please complete and return the Evaluation and Credit Report Forms. The Registration Desk will remain open during conference hours.

This activity is subject to change.

Registration Form
Course Number 80032850
March 7, 2014
To Register: Online (credit card and e-mail) - www.HopkinsCME.edu
By fax: (866) 510-7088 By phone (credit card only): (410) 502-9636
Or mail this form to the Johns Hopkins University, Office of Continuing Medical Education, P.O. Box 64528, Baltimore, Maryland 21287
Include check payable to HOPKINS/80032850, or include credit card information below:
PAYMENT MUST ACCOMPANY FORM TO CONFIRM YOUR REGISTRATION.

I am a Johns Hopkins speaker for this activity.
Please type or print clearly:

To Register or For Further Information
Register Online (credit card and e-mail) www.HopkinsCME.edu
Register by Phone (credit card only) (410) 502-9636
Register by Fax (866) 510-7088
Confirmation/Confirmation/Certificates
General Questions (410) 502-9636
E-mail the Office of CME (410) 955-2999
